Reference List

Formatting your Reference List

1. List Title

Title your reference list as such: REFERENCES
Capitalize 'REFERENCES.'

2. List Placement

Place the reference list right at the end of your paper after skipping a line. Do not start the list on a new page unless necessary.

3. Numbering Citations

Number each citation in the order it appears in your paper. In-text, cite your sources using a number in superscript.

Formatting your Reference List

1. Author Names

1-6 authors/editors = list all names ; 7 or more authors/editors = list first 3 names then write “et al.”

2. Journal Titles

Use NLM abbreviations for journal titles within your citations.

3. Single Space

Single space each citation in the list
